

It has been another busy week here and I think it will probably stay very busy now until we break up in July!

Teen Tech

Y6 have been taking part in a series of design sessions at Roehampton University. They have also had the opportunity to work with children from different schools.

Teen Tech was amazing because we got to design buildings of the future and we also were able to think the unthinkable! Julia and Labiba Y6

Tennis Tournament

On Thursday, Kamaludin, Malai, Nevaeh and Jaylen went to a tennis competition with Ms Fernandes. We played 3 matches and had lots of fun!

Reading Competition

On Thursday, we went to the Roche School for a reading competition called 'Battle of the Books'. There was a tricky quiz, an art round and a drama round which I really enjoyed! Ilham 4G

Well done to Visal, Casey, Basra, Sana, Kirsty and Ilham who represented Heathmere school very well. And thank you to Miss Moore for all her hard work in preparing the children for the competition.

School Improvement

This week the children in Y1 have been doing their Y1 phonics test. They have been working very hard! You will be informed whether your child passed the test when you receive the end of year reports. Any Y2 child who didn't achieve the standard in Y1 has also re-taken it this week.

Also, Miss Barrick and Mrs Earle have been moderated by Wandsworth LA this week to make sure that the end of Reception assessments are accurate. The moderators arrived early as they wanted to look around our fantastic new Early Years outdoor area before they started!

Summer Fair

Don't forget the Friends of Heathmere Summer Fair is on Saturday 9th July, 1-3.30pm. Please still send in your donations of chocolates, toiletries or bottles and tins. If you are able to help on the day, even for half an hour, please leave your name and phone number with the office. Thank you!
