

Respect Resilience High Expectations

6th June 2014

Welcome back to the final half term of this year! I was talking to the children in assembly this morning about how we are starting to prepare for September and moving up into the next class. The next few weeks really will fly by!

World Cup Dancing

The children had a great day yesterday learning some dances from different countries that are taking part in the World Cup. Thank you to Mrs Meyrick for organising the event!

"Today was fun and such an exciting day! In assembly we had a football World Cup opening ceremony by raising the flag from different countries and we listened to their national anthems. Then we did a dance with a talented lady called Donna. It was so cool! Our country's dance was England. I wonder if England will win the World Cup?" Julia 4G

Healthy Lunches

This week we have started our new healthy lunchbox policy. There has already been improvements seen in what the children are eating. Well done to Yusein who won the healthy lunchbox raffle. There have understandably been teething questions so Miss Barrick has put together some information on the back for you. Thank you for helping us to become a healthier school!

Well done!

Congratulations to 3S who were the Going for Gold class winners for the third time this year! Their class achieved the most amount of golds last half term. Congratulations to 5O who won the attendance award for last half term. They scored the most points on our attendance board. And finally well done to the 2 children in each class who won the most golds last half term. They have a cooking afternoon to look forward to!

Ofsted Update

Year 2 have had a busy week. They are starting to finalise all of their KS1 SATS information. We had a visitor from Wandsworth LA who looked at the children's reading and was in agreement with the levels of the children. The staff were complimented on having accurate assessment levels and came out very well. We were also visited last week by teachers from Roehampton Church and The Alton and we were able to share our excellent marking with them.

Diary Dates

11 am Friday 4th July Trumpet Concert
 Tuesday 8th July – Nursery and Reception sports day
 Wednesday 9th July – Y1 and Y2 sports day
 Thursday 10th July – Y3, Y4, Y5 and Y6 sports day
 Friday 11th July – Summer Fair – 2pm finish
 9am Monday 21st July – prize-giving assembly
 Wednesday 23rd July – break up at 2pm

Congratulations...

Congratulations to Mrs Meyrick who is expecting a baby at the end of the year. I am sure you would like to join me in wishing her and her partner our best wishes.

*This week, our whole school behaviour focus is:
 Keeping the school tidy.*

Attendance

Well done to 4G, 6P and 5O for winning last week's attendance. Individual winners were Yash (5A), Elyas (3S) and Jayson (5A). An outbreak of chicken pox before half term left our attendance that week at 89.9%. We are going to have to work really hard this half term to make up for it!
