

I went to visit Y5 on School Journey in Box Hill on Wednesday night. The children were having a lovely time and they are a real credit to the school.

Y4 Natural History Museum

We enjoyed our workshop at the museum where we were looking at animal skills and the teeth that the animals have. Dahira 4J

Our class really liked it when we saw the moving dinosaurs! Artur 4J

Book Tokens

Look out for your child's World Book Day token - swap it for a FREE World Book Day book or get £1 off any book/audiobook worth £2.99 at your local book store!

Friends of Heathmere Spring Raffle

Please bring in donations of chocolates or sweets, cakes or biscuits for the FoH Spring Raffle. If you would like to support this, please send them in on Monday or Tuesday (please also check the 'use by' date is after 31st March). Thank you!

Miss Moore

Congratulations to Miss Moore who got married a few weeks ago. I am sure you will join me in wishing her all the best with married life. She has changed her name to Mrs Chapman so we are getting used to calling her something different!

School Improvement

This week, Mrs Kennedy has mostly finished the meetings with parents of children who have a special educational need. Firstly, thank you to all those parents who have attended – the turn out from parents has been really high. And many apologies that some appointments ran late so thank you for your patience. We haven't done the reviews in this way before and have realised that we need to book longer times for you when we do this again. I hope that parents found them useful and are clearer about how the school is supporting your children.

Nursery Parents

Thank you to all the parents who came to the pre writing skills workshop in Nursery. It was a huge success and the children had a great time.

Head Lice

Can I politely request that all parents regularly check their children for head lice. I have had several complaints about this issue recently and would appreciate your support with this matter.

Attendance
