

This half term is going to fly by so quickly as Easter was so late this year. It's a really important few weeks with Y6 SATS and Y2 SATS coming up so please make sure your children are coming to school every day!

Congratulations!

I am thrilled to announce that Mrs Goodings has had her baby! Nora Daphne was born last week. It was a few weeks earlier than expected however both Mrs Goodings and Nora are at home and doing well. I am sure you will join me in sending Mrs Goodings and her husband our very best wishes.

Miss Armitt has made a good start at taking over the newly named 5A and we are pleased to have her on the team.

The GP visits Reception

The children had a great time when Doctor Bloch a local GP came into visit the children. She talked about what it is like to be a doctor and the tools that she uses. The children then had a go at using a stethoscope.

Mini Boost

We had a great turn out today from parents in Nursery and Reception attending the FREE Boost session about healthy living. Don't forget it is on every Thursday from 9-10.

Ofsted Update

This week, we have been working on the areas of improvement that were identified from the LA Learning Review that took place last week. We have been looking at how we continue to improve to make sure that your children receive the very best teaching that they possibly can and therefore make the most amount of progress.

The Gate!

There have been a few grumbles that the gate on Hyacinth Road is now closing at 9am rather than 9.05. School starts at 9am which means that the children need to be in their classrooms and ready to learn by 9am. We open the gates at 8.45am so there is a 15minute window to get your children here. Children do not like being late into class and every minute of learning time is crucial. Please support us by making sure your children are in school on time.

Lifeboats

We are raising money in school next week for the Lifeboat Charity (RNLI). If you wish to contribute, please send your children in with 20p or more and they will receive a sticker. Please support this worthy cause.

This week, our whole school behaviour focus is: making good choices in the dinner hall.

Attendance

1H were the attendance winners last week with 97%. I believe this is the first time Year 1 have sat on the benches! We will look out for them in celebration assembly next week.

	Events	Clubs
Monday 5 th May	School closed – bank holiday Monday	
Tuesday 6 th May	Lifeboat collection starts	
Wednesday 7 th May	Y2 to London Zoo Y1 to London Sealife Centre Trumpets 12pm ESOL	Y3/4 football club
