

Respect Resilience High Expectations

What a great day we are having in school today! It is lovely to see all of the children dressed up in their spotty clothes – all in aid of Children in Need. I hope there will be a good level of support at the cake sale after school.

Y4 Romans Workshop

Y4 have had a wonderful day today re-enacting life from the time of the Ancient Romans. The children looked at different Roman artefacts, did a quiz and learnt how to play a strategy game. They also looked at what armour a Roman soldier would have worn. In addition, they re-enacted the battle between Bouddicca and the Romans and finished off with gladiator fighting, although they didn't actually fight!

I loved playing the Roman games. Rym 4J
The gladiator games were really good and I won!

It was fascinating to look at the artefacts. Isla 4J

Safeguarding

The most important thing we will do in school is keep your children safe. We will always talk to you about any concerns that we have about your children. There is a copy of our Safeguarding policy on the school website. If you would ever like a paper copy of the policy, please ask in the school office.

Jumpers

I seem to be having lots of conversations at the moment with parents and children about jumpers going missing. Parents please make sure that names are put in everything that the children wear. Children please keep track of your jumpers – they are expensive for parents to have to keep buying if you lose them. I have also spoken to the teachers about this.

School Improvement

This week, we have been looking at marking in maths and English. It is important that when the teachers mark the children's learning, they give feedback which will help the children to improve. We have been looking as a staff about how to make sure our Next Steps are meaningful and support learning.

Road Safety Week

Next week is Road Safety Week. There are lots of things coming up in the diary linked to the safety of scooters and bikes. On Friday, children can wear bright clothes as a reminder of how to stay safe on the road.
