

Heathmere Primary School Newsletter

It has been great to see some year groups out and about on school trips and visits this week! Thank you to parents who have given up their time to accompany the trips.

Y3 trip to Butser Farm

On Wednesday, Year 3 went to Butser Ancient Farm. We got to make and design pots out of clay and we were archaeologists digging for bones and fossils. We even got to make our own jewellery. We had so much fun! - Adriana 3L

Y2 trip to Richmond Park

Year 2 children walked to Richmond Park on Wednesday. The children enjoyed themselves exploring the different wildlife. They were lucky enough to see a herd of deer.

Y6 Viking Workshop

On Tuesday, Year 6 took part in a Viking workshop. The day was full of interesting activities including a game, quiz and looking at Viking weapons and clothes. We were surprised by the artefacts that had lasted this long, including combs made from antlers, coins and even handcuffs that they used for their slaves! We enjoyed hearing the story of Beowulf come to life with some drama and this is also the Literacy text that we are currently learning about.

School Ambassadors

We are really proud to introduce the Y6 School Ambassadors for the year: Burhan, Jacob, Mahid, Umar and Xhyriel. I am sure they will work hard in their roles and do a great job!

School Improvement

This year, the teaching staff are going to be working really hard to ensure 'Excellence in Teaching' across all areas of the school curriculum. We have some phenomenal teachers at Heathmere so this is an exciting target for us all to work towards. Action plans are in the process of being written and I will continue to update you through the year.

Trumpets

This year, all children in Y5 and Y6 will have a weekly trumpet lesson. The current Y4 children will start learning the trumpet in September 2022.

Medical Update

This year, we are sending out your child's medical form as a google-doc. Please complete one form for each child. Look out for this on Monday.

Weekly Sports Provision

This week, I have finalised our sports provision across the school. We already have a specialist dance teacher (Conor) and a specialist gymnastics teacher (Charlotte) in place. We will also be having a specialist tennis coach in school every week. So alongside the PE lesson delivered by Miss Maria, all children from Rec – Y6 will receive either tennis, gym or dance every week. Swimming is additional to this.

House Captains

The house captain elections were held yesterday. The Y6 children had the opportunity to speak and then the rest of the school voted for the winners.
