Children in Need

We had so many great entries for this year's Children in Need competition. Well done to all of the winners. There was a notable improvement in the quality of entries too this year! So thank you to parents for giving your children time to prepare their entries. Look on twitter for the winners. @heathmereschool

Covid 19

As you will have seen on Wednesday, we have had another positive covid case at Heathmere. We need to do everything we can to prevent the spread so thank you for your support with this. If your child has a persistent cough, high temperature or loss of taste/smell, please ensure that your child takes a covid test.

Lantern Parade

We are taking part again in the Roehampton Lantern Parade. On Wednesday, children in Year 1 and Year 2 will make their lanterns in school. And then on Tuesday 30th November, the children can walk down to Roehampton after school, with families, to see the Christmas Tree lights switched on. I will give you more details in next week's newsletter but please do come and join us – it's a really lovely community event.

Staffing Update

We said goodbye today to Miss Hawley today, who has worked in Reception for the past year. She has moved out of London and we wish her all the best in the future.

School Improvement

On Monday, all of the staff took part in fire safety training in the morning. Later in the day, the support staff team were trained on asthma, using an epipen and responding to seizures. The teachers continued to work on the whole school curriculum, looking at how the learning skills can be embedded through subjects such as geography, art and science.

Y1 Puppet Making

Year 1 have welcomed the Polka Theatre to school today. They have worked with the children to make puppets to support their story-telling.

It was lovely to make puppets. Magfoor

It was amazing because we made puppets. Deenah
Making puppets was very exciting. Amelia
