Lantern Parade

The Lantern Parade is taking place on Tuesday 30th November. **School will finish at 3pm for all Year 1 and Year 2 children.** If you have other children in other year groups, you can also collect them at 3pm from the playground. Families can walk down to Danebury Avenue with the staff and see the Christmas Lights switch-on.

Christmas Fair

This will take place on Friday 10th December at 3pm. It will look different to previous years as it will mostly take place outside. If you would like to help, please speak to me on the morning gate. We will have 2 mufti days next week. Please bring in £1 on Thursday and chocolate or toiletries on Friday.

Christmas Shows

The dates are listed below. Please be aware that if covid restrictions are needed, plans may alter. Parents are invited but please only attend one performance so that we can limit numbers.

School Improvement

On Tuesday, all of the adults went to observe Mr Burton teach a reading lesson in 5L. We were focusing on how he used discussion to develop children's thinking and responses. After school, we met to review the lesson. It's been really important for teachers to reflect on our teaching in this way as we are striving for Excellence in all areas of teaching.

Card Payments

Please be aware that parents can make card payments over the phone. This might be easier than queueing when the office is busy. I would suggest calling between 10am – 12pm as this is the quietest time.

ESOL and CV Writing

Attached to the email is information about ESOL classes and CV Writing which are taking place at Roehampton Library. Do book yourself on if you are interested in attending.

Cross Country

Well done to the children who took part in cross country on Saturday. They all did a great job and represented Heathmere very well. Ali, Amy, Asena, Brittany, Dylan, Ethan, Heidi, Jayden, Jinit, Junayd, Levi, Luqman, Miley, Roxy, Xavier, Zainab.

Henry Fielding

On Wednesday, Tokyo Olympic athlete, Henry Fieldman, visited our school.

Mr Fieldman told us to never give up on our dreams. He failed a few times and kept on trying. He also said that you have to build on your strengths. He is only 1.62m tall, so he decided to become a coxswain for a rowing team and he is very good at it. We even got to hold his bronze medal that he won at the Olympics.
