School Improvement

Last night, I met with the Heathmere Governors and the Senior Leaders to think about our long range plan for the school. We discussed children's learning skills and how they apply to real life, having high expectations of self, well-being, nutritional health, training for all staff, widening opportunities for the children and much more. These ideals will be formalised into our School Development Plan over the forthcoming weeks.

Welcome back to the new school year! I hope you have all enjoyed the break from school and are happy returning to the school routine. It has been lovely to see so many children arrive smiling this week.

Uniform update

There was a delay to finalising the logo, which in turn means that there has been a delay to the uniform production. Hopefully it will be ready some time in October. We will keep you updated.

Online Payments

The office can now accept card payments for dinner money, clubs and trips. Please come in-person with your debit card and we can set this up. Credit cards are not accepted.

After School Rocks

Orde is resuming her after school provision from Monday 13th September. This is a wrap-around provision and it runs from The Alton Activity Centre until 6.30pm. Heathmere children are taken from school to the centre. For information, please contact Orde directly: 07492-501-791

People's Plan Launch

Alton Action warmly invite you to attend the Launch of the People's Plan for the Alton Estate, this Sunday 5th September at 3.00pm at St. Joseph's Church, 218 Roehampton Lane, SW15 4LE.

Alton residents and other local people have worked together over the last year, with the expertise of University College London, to create a community-led vision for the future of the Alton Estate; a Community Plan based on what current residents actually need.
