

I am Alan Paul, appointed a governor in 2017. I also serve on the Resources Committee.

I am married with 4 grown-up children. My work is now as a business coach and consultant, having had my main career as

a lawyer.

Being new to the world of education, I am struck by the challenges the community faces to care for and realise the true potential of each of its children. Heathmere puts the children first, and its excellent values are evident every day through every activity.

I am glad to have the chance to work with the Heathmere team as they work with parents to meet the challenges.

I am looking forward to meeting as many parents as possible.
