

We have a really busy week for visitors next week! On Monday morning we are welcoming 6 of the local councillors to school and then on Thursday we have 3 headteachers from Wandsworth coming to find out about how we moved Heathmere from Requiring Improvement to Good. I am sure everyone will be impressed by the children's learning here!

Y5 Enterprise

On the Enterprise trip we were set a task of making vans and selling them to make money. It was an unbelievable morning! Our group designed a food van called Flippin Fries! Muqueet and Sumayah 5M

Gymnastics Competition

Six children from Y3 and Y4 took part in a gymnastics competition yesterday at Southfields Academy. It was a great morning of good gymnastics and participation. The team were Sana, Kamaludin, Kirsty, Danielle, Lara and Kara-Louise.

We had to do vaulting and a floor routine. It was really hard and we had to concentrate, but we had lots of fun! Kirsty 4G

Lunch Boxes

We have been noticing that there are an increasing number of unhealthy items in the children's packed lunch boxes. Please remember that crisps, sweets, chocolate and sugary drinks are not allowed, with the exception of a small treat on a Friday. Also, remember to look at the sugar content of what you give your child. A healthy lunchbox promotes a healthy lifestyle for your children. Thank you for your help.

School Improvement

On Tuesday, we welcomed a visitor from Wandsworth Local Authority who came to talk to all of the teachers about grammar. There has been a significant increase in what the government expect children to learn with regard to spelling and punctuation so it is important to make sure that staff have really good subject knowledge.

Behaviour

Please can I ask all parents to talk regularly to your children about what is acceptable behaviour in school. Unfortunately we have seen some behaviour in the last couple of weeks from a few children that is quite simply not good enough. The children know that we have high expectations of them. I have spoken in particular to all Y5 and Y6 children today about it and I expect to see an improvement.

Regenerate

I met with Clare and Mari from Regenerate this week. This is a local community-based group who work with young people in the area. They are going to be coming and doing some transition work with Y6 later in the year.

Playground

Can I please remind all parents that you must never approach someone else's child on the playground about any issues in school. It can be very upsetting for children if this happens and no parent wants it to happen to their own child. Please make sure all other adults who collect your children know this.

Attendance

Highest attendance: 1V with 100% again!
 Most punctual class: 1V
 Whole school attendance last week: 95.1%
 Individual attendance winners: Khalid (1V), Karaey (4T), Kamaludin (4G), Kane (Rec)
