Eid Mubarak

Eid Mubarak to those who are celebrating this weekend. We will hold Eid celebration in school at 3.30pm on Friday 6th May. Please bring along food to share and all members of the school community are welcome to attend.

Pop Up Book Hut

We have been lucky enough to secure a Pop Up Book Hut from the Children's Book Project for the second year in a row. The Book Hut will be kept in the celebration hall and will remain there until the end of term. Children will visit the Book Hut twice this term with their class during the school day; they will get to take a book from the hut to keep each time they visit. The books in the Book Hut have been kindly donated to us by a variety of charities that work with schools to get books into homes. We hope you enjoy reading the books your children bring home from the hut with them!

Y6 Sitting Volleyball

Yesterday, a group of Y6 children attended a sitting volleyball tournament. They took part in lots of fun activities with their friends. Well done to Aisha, Jacob, Mohamed, Nelita, Callum and Krish.

Ancient Greeks

On Wednesday, Y3 took part in a Greek Workshop. *We loved hearing the stories and learning about the gods and Greek warriors. We enjoyed the quiz where we had search for the answers around the hall. We worked in groups to solve Greek puzzles. It was hard but we enjoyed it.* Isla and Abigail - 3T

29th April 2022

School Improvement

This week, we have been working in our curriculum teams to define different subject areas. The 4 teams are:

Creative Arts and Humanities – Art, Design and Technology, Geography, History, Music, Religious Education

STEM – Computing, Maths, Science

Well-being – P.E., Personal, Social and Health Education (PSHE), Relationships Education

Communication and Language – Reading, Writing
As teachers, it's important that we refer to the subject (such as history or science) rather than saying 'topic'.

Uniform Board

Attached to this email is the updated uniform board for your information. It's great to now see all of the children in the new uniform, with the new logo. Please note that while it's ok for children to wear tracksuit bottoms, they should be plain black or grey – without logos/writing on them.

Regenerate

Regenerate are running some sports session that children from Y6 upwards can attend (even if they are not age 11 yet). You may have older children in your family who can join in. Please see details attached to this newsletter.

Rackets Cubed

This term 4V are joining the Rackets Cubed programme. Children leave school at 3pm and walk to Roehampton Univesity where they play tennis, do some maths and have a cooked meal. Heathmere has worked with Rackets Cubed for a few years now and this is a great opportunity. 4H will be able to attend when they are in Y5.
