

Respect Resilience High Expectations

As we head into the last week of school before Christmas, the children are getting excited and hopefully will enjoy some of the activities and events we have planned for next week!

Coronavirus Update

I am sure that many of you have seen in the news that Covid-19 cases are increasing again in London. While we continue at Heathmere to have no confirmed covid cases, we must continue to be really careful. If during the Christmas holidays, one of your Heathmere children tests positive for Covid, please email me directly: head@heathmere.wandsworth.sch.uk

Friday 18th December

We will **not** be closing early for Christmas. This would require moving one of our training days and these are already booked in for 2021. We will finish, as planned, at 2pm on Friday 18th December.

Roehampton Library Books

Please do return any Roehampton Library books they may have at home to the library. We have over 100 books outstanding with the library (after returning all of the books we had in school) that need to be found in homes and returned.

Children in Need

On November 13th, children dressed in their mufti clothes and donated money to Children in Need. As a school, we collected an incredible sum of money £203.94. Well done to all the children who entered the art competition too, it was an amazing success.

11th December 2020

School Improvement

This week I met with the Y1 team to look at the progress of every child. It was really positive to hear about the progress of so many children. We have also undertaken the phonics screening check for children in Year 2 (as it couldn't take place in Year 1) and the teachers will share the outcomes with you in due course.

Y1 visit from The Polka Theatre

On Tuesday, Year 1's were lucky to have Polka Theatre in for a puppet making workshop. Children made rod puppets of the prince and the princess from their literacy book 'The Worst Princess'. They had a lot of fun and showed resilience making their puppets.

Y4 trip to Wetlands

Last Friday, Year 4 went to the Wetlands as part of our Topic, Living things and their habitats. It was a day filled with fun learning and exciting nature walks.

'I loved seeing the otters, swimming and doing their obstacle course' - Alexandra 4V

Punctuality

Can I please remind parents that the gates close at 9am every morning. It is really important that children arrive on time to school. Children don't like being late and they will have a much better day if they arrive in plenty of time.

Data Collection sheets

If you haven't returned your data collection sheets, please return them by Friday.

	Events	Clubs
Monday 14 th December	School to watch the EYFS Christmas show	No clubs this week
