

There is a real atmosphere of excitement around school today as we prepare for the Christmas Fair this afternoon. I hope you all enjoy the occasion. And thank you to all parents who came to support the lantern parade yesterday – it was a lovely evening!

## Junior Parliament

Our representatives this year are Masroor and Jokubas. Children from local schools come together to discuss important issues about Roehampton.

*We had an amazing time at Student Parliament. We also talked about shadowing our head teachers.*

## Scooter Workshop

*I learned how to ride a scooter. When you wear a helmet it's very good and it protects your head...I loved it! Lilymay (Butterfly)*

*We played on the scooters, we learned riding. I bent down like sitting but I was still riding. I was riding and putting my foot up in the air. I was really good at scootering! Ciaran (Ladybird)*

*When I go really fast on my scooter, the brake is on the back and it helps me stop. I loved it! Lillie Louise (Ladybird)*

## Christmas Shows

I hope to see lots of parents at the Christmas shows next week. Please bear in mind that you will only be let in 10minutes before the start time as the children will need to get on the stage first while the hall is empty. And please be on time – it is very distracting for the children if you are late.

## School Improvement

This week we have been looking at the maths books of every class in the school to check on the children's learning. The teachers are working hard to implement the new National Curriculum which came into force in September. The expectations of what the children are expected to do in maths have increased so please keep practising those times tables.

## Pantomime

The whole school enjoyed a fantastic pantomime performance on Wednesday afternoon. Thank you to Mrs Meyrick for getting it organised before she went to have her baby!

*On Wednesday we had a pantomime in school. I thought it was great! It was soooooo funny. They dressed up as pirates and one of the actors who was a man was wearing a dress!*  
Basra and Liam 3S

## Y5 to Chessington

*At Chessington we participated in a workshop which taught us about the forces that the rides use. We also went on an exclusive zoo tour and saw monkeys, snakes, lizards, tigers and sharks! The whole class really enjoyed the trip and even the teachers too!* Harvev 5F
