

School is starting to gear up for our end of year celebrations. The Christmas tree is going up and children can bring in their Christmas cards from Monday. Please make sure each card has the child's name and class on the front.

Y2 trip to The London Eye

Last Friday we went to the London Eye. We saw Big Ben, the River Thames and the BT Tower. My favourite thing was watching the 4D film.

Lara 2W

Y1 Natural History Museum

On Monday Year 1 went to the Natural History Museum. We saw a t-rex. When we finished our lunch we played outside and then we got back on the bus. Prakish 1H

Thank you to the teachers for taking the children on these amazing trips and to those people who helped by coming on the trips.

Trumpet Concert

Thank you to the parents who were able to join us for the trumpet concert on Wednesday. The children played very well and Mike, the trumpet teacher, commented on how well the children are doing. He also said that Heathmere was one of his favourite schools – especially as the teachers learn with the children!

Website of the week

Have you registered with Oxford Owl? It's a brilliant website that has lots of books that children of all ages can read.

School Improvement

This week Mrs Pyper and I have been in further planning meetings about how to improve maths across the school and plans have now been put in place for January to start to address this. The teachers have also been planning a Reading Week for the first week back in January – further details of this will follow.

Sumdog maths

Well done to all of you who competed in the Sumdog competition at home and at school. We did really well, with 6P coming **4th place** overall in the borough and 5F being the top scoring class on one of the days! Even though the competition is over, you can still use your Sumdog account and keep playing the games against your friends at home. By playing more games, you can improve your mental maths as well as collecting points and spending them in the Sumdog shop!

Y6 ice skating

Yesterday Y6 went on a trip to an ice rink in Vauxhall. We travelled by bus and train to get there. Skating on the ice was difficult to start with but as time went on in got easier. We had a great time!

Amy 6J

Attendance

Highest attendance: 6J with 99%

Whole school attendance since September: 95.1%

Most punctual class: 6J (who had zero lates all week!)

Individual attendance winners: Tyrese (5F), Tyrese (4F), Tyler (1H) and Tariq (3S)

Well done to Jupiter for the most house points.
