

I hope you are all looking forward to the week off. Let's hope the weather improves and you are able to get out and about! Remember to still read books every day!

## Great News!

I have spent the last year complaining to Wandsworth about what I consider to be the totally unsatisfactory area around the Early Years playground on Hyacinth Road. The council have approved a large amount of money to be spent on the school to improve this area. Hopefully this will be the end of the portacabin, the orange fences and the ramp etc. I am hoping the work will take place over the summer holidays and not only will the school look much better but the children in Nursery and Reception will have a much better playground to use.

## After School Club

The after school provision through Roehampton R.O.C.K.S. has started really positively. The children are very settled and Orode is doing a fantastic job to lead this. Miss Moore and Mrs Kiernan are also helping to run the club. There are lots of creative things for the children to get involved in. The cost is £6 up until 6pm and this includes a good sized snack. Please contact Orode on 07448 246754 or come into the office and ask to see her.

## Y5 E-safety Day

*On Monday a director came into school to help us create a play about how to stay safe online. We learnt about how to avoid cyber bullying and the difference between cyber bullying and other types of bullying.*  
Michelle 50

Please can parents not approach and speak to other children on the playground about any school issues. Always talk to the class teachers first.

## Ofsted Update

I have been going to all of the classes and watching the teachers teach maths over the past couple of weeks. I am pleased to report that the quality of teaching across our school is mostly good with lots of outstanding practice. The children's attitudes to learning are excellent and the staff have worked so hard to instil this into our children. Many children were being given a wide range of problem solving activities and I can really see the improvements from one year ago in terms of how our children are learning.

## Library visit

Ladybird class visited the library on Wednesday. They had 2 stories read to them and spent time looking at the books. If you are not already a member do go and join Roehampton library. You just need to turn up!

*This week, our whole school behaviour focus is: Getting on with everyone in the playground.*

## Nits!

Please take the opportunity over half term to check your child's hair for nits. Several teachers are reporting that children in their class have got nits. It is a common problem in primary schools but let's do everything we can to eliminate nits here.

## Attendance

The winning class was 5G with 100% again! The individual attendance winners were Kenzie (4G) and Isla (1F). And a big well done to 2W who managed a whole week with no 'lates'. This is only the second time since September a class has managed this. They will be having an extra reward.
