

What a busy week we have had! We have welcomed over 50 visiting teachers to Heathmere this week who have come to look at good practice and some of the things that we do here which support all children to access their learning.

Y2 Science Museum

On Wednesday we visited the Science Museum. It was fun! We saw a real astronaut! Dilara 2L

On Wednesday we went to the amazing Science Museum. I saw a huge rocket and I spoke to an astronaut. It was a really fun day! Lilymay 2L

Online Safety

On Thursday 9th February at 9am, our computer technician is going to run an internet safety session for parents. I would urge as many parents as possible to attend so that you are well informed about how to protect your children at home. I have dealt with several issues over the last few years around online safety and they can be very distressing for families. Please come along. The session will last no longer than one hour.

Half term activities

Matt Gale, our PE coach, is going to be running some half term sports activities for children in Year 1 to Year 6 so please look out for his letter and sign up if you are interested.

Orode is also running Camp ROCKS - FEB HALF TERM 13-17 Feb 2017 - Theme: PENGUINS. Ceramic painting, Games and Trips. From £12-24 per day. Register via <https://bit.ly/CRFeb17> or TEXT CRFEB17 to 07942501791

School Improvement

We have been looking at how to improve provision for children with Special Educational Needs this week. Mrs Kennedy, our Assistant Head for Inclusion and SENCo has been going through some strategies with the staff so that we can understand the children and their needs a little better. On Thursday and Friday of next week, we have a school review and will be visited by 4 other headteachers and a school inspector. They will be looking for things that we do well at Heathmere and helping us to identify areas for improvement.

ESOL classes

After half term, we are going to start running ESOL classes for parents on a Thursday after school. These are aimed at parents who are in the early stages of learning English. Miss Misheva is organising the training so please speak to her if you would like more information.

Doctor and Dentist

The children in Nursery really enjoyed a visit from Dr Bloch. She came in to talk to the children about how she helps people and the equipment she uses. She also answered the children's questions. This afternoon, the children in Nursery are also being visited by a dentist.

Attendance

Most punctual class last week: 1H
 Highest attendance last week: 4J with 99%
Whole school attendance for last week: 92.2%
This remains below the 95% expected level
 Individual attendance winners: Tahir (5B), Tahir (Rec/B)
 House points: Neptune
 Reading Race Winners: 2W
