

Heathmere Primary School Newsletter

Covid Update

We are carefully monitoring the covid situation in school. As I write this, there have been 4 positive cases in 5B this week, however there have been no further cases in any other year groups. Please continue to be vigilant.

Y6 to School Journey

Children in Year 6 will be travelling to Kingswood Activity Centre on Monday, where they will stay for the week. Please look at the Heathmere School Twitter page to see photos of their activities! @heathmereschool

Y5/6 Girls' Football

On Wednesday, a group of Y5 and Y6 girls took part in a football tournament in Southfields. They really enjoyed their day and competed against other Wandsworth schools. A particular well done to Roxy for scoring a goal and to Heidi for some excellent goal-keeper skills. The children all demonstrated our school values of Respect and Resilience, representing Heathmere positively. Well done to the team Asena, Ava, Alexandra, Heidi, Roxanna, Ajarah, Miley and Zainab

Well done to Mrs Tofts

This week, Mrs Tofts completed her NASENCO qualification which means that she has now qualified as a Special Educational Needs Co-ordinator. While Mrs Kennedy remains overall in charge of special needs, Mrs Tofts can now help her. She will be taking over some cases for EHCP applications and also conducting some SEND reviews.

4th February 2022

School Improvement

This week, Mr Howland has been going into different lessons across the school to see maths being taught. He was very impressed with the quality of teaching in all of the lessons he saw. As you are aware, Mr Howland sees maths being taught in lots of different schools across London and he is confidently able to say that the standard of maths teaching at Heathmere is very high.

Playground

I had a report from a local resident that over the weekend, there were either children or adults in the school playground. If you are aware of who this was, please remind them that school playgrounds are private property and they should not be used by residents at the weekend.

Roehampton Safer Neighbourhoods

The next meeting of the Roehampton Safer Neighbourhoods meeting is at 6.30pm on Thursday 10th February. All residents are welcome to join. The details are in a separate attachment to this newsletter.
