

Freya Guinness

Me in working mode me looking more relaxed ☺

My name is Freya Guinness and I am Chair of the Governing Body. I work full time and my background is in business planning and organisational change. I have 3 children aged 11 to 16 who are now at Secondary School and were all at Primary School in Wandsworth.

I have been a Governor at Heathmere for 8 years and the Chair of Governors since February last year. It is both a big responsibility and a real privilege to be able to be a Governor, it's our job to help make sure that the school does its very best for the pupils and that it's a place where pupils want to come and learn and where staff want to work! I am really excited about everything that is going on in the school at the moment and the buzz that I feel when I visit. As Governors this year we are really focussing on improving how we work together, making sure we all contribute and build stronger links with the school. You will sometimes see me standing with Miss Lewis at the gate as the children come into the school in the mornings so do stop and say hi! One of the important things a Governing Body does is to listen to the views of the whole school community – staff, pupils and parents – so if there is anything you want to raise with me you can get in touch via the school office or using my email Freya.Guinness@yahoo.com
