

We have a busy week ahead at Heathmere as we welcome 40 newly qualified teachers on Tuesday and Thursday from local schools to come and see how we do things at Heathmere.

## Mini-beasts visit Reception

On Friday 12<sup>th</sup> January Reception classes had a visit from the Wiggly Wild Show. The lady brought in some different insects and some other animals like a snake, lizard and a frog.

*My favourite part was touching the snake. I learnt that insects have 6 legs. Leo*  
*I liked touching the giant snail. Viraat*  
*The lizard's skin felt cold and soft. Vinnie D*

## Half term camp

Orode and her After School Club team are running a camp over the half term holidays.

## Internet Safety

On Thursday 8<sup>th</sup> February at 9am, our IT Technician Dave will be holding a parent workshop for anyone interested in finding out more about how to keep children safe online. Please do attend. He is also available every Thursday to speak to parents if they need any online safety advice. Just ask for him at the front office.

## School Improvement

On Tuesday, we were visited by our School Link Inspector. He comes every half term and helps us to make sure that we are constantly reviewing things and to make sure we are always improving and moving forwards for the children. He spent the afternoon in classes looking at the children's topic learning. He saw lots of different subjects being taught and commented on how calm and confident our children were and how it is clear the children at Heathmere want to learn.

## Heathmere Library Books

Lots of children are now borrowing books from our Library and we love to see children reading them! Please could you have a check at home and make sure all Library books are sent back to school (check inside the front cover - there should be a bar code and a 'Heathmere' label). Thank you!

## Medical Updates

If you have any worries about your child's health, please come into school and speak to Tracey Green who is our Family Link Worker. We now have a permanent school nurse who is able to support you with any medical difficulties your children may have.
