

Thank you to KS2 parents for adapting so quickly to our new arrival and collection arrangements. The work has started on the KS2 playground and we are sure the current squeeze will be worth it in the long run!

My favourite part was seeing the colourful parrots. Xavier 1M
I liked seeing the penguins. Mohammed 1M

I loved the tall, pink flamingos. Layla 1M

Y5 Visit Planetarium

We went into a dome-shaped cinema and it was like we were in space as videos were projected onto the roof. We learnt about a lunar eclipse, where the earth is in front of the moon and the moon turns red. Amy 5B and Perry 5D

Parent Open Hour

On Tuesday 30th January, we are opening the school up to all parents to come and see what happens in your child's classroom between 9am and 10am. If you have more than one child, please move between classes. We look forward to seeing you.

Litter

There is a lot of rubbish being dropped on the playground at the end of the day. Please can everyone make sure the bins are being used at all times.

School Improvement

Heathmere welcomed 35 Newly Qualified Teachers from a range of different schools this week to come and see how we do things here. They were specifically looking at 'Inclusion'. The feedback was very positive from all of our visitors and it is a privilege for our school to be asked to deliver this training on behalf of the Belleville Teaching Alliance. We have another 15 teachers coming next week.

Maths Bee

There was a buzz around Heathmere as the Maths Bee started this week! Every class has made 'Top Trump' cards and have competed in class for points. Look out for next week's update to see which class has the highest score and which house team is in the lead!
