

Next week is a busy week in school. We are hosting training for Newly Qualified teachers so there will be 23 teachers here on Tuesday and another 28 teachers here on Thursday. They are coming to look at good practice and to specifically focus on inclusion. I am sure the children will make them feel very welcome.

Congratulations

Mrs Heuer had her baby girl last week! She has called her Meghan Joy Heuer and she weighed 7lb (3kg). I am sure you will join me in passing on our best wishes to her and her partner at this very special time.

Y1 trip to Battersea Park

What a great day the children in Year 1 had on Wednesday! They went to the Zoo in Battersea Park and saw lots of different animals. The teachers have said how well behaved the children were.

Yesterday we went to Battersea Park Zoo. We went there on the bus. There were loads of animal and my favourite was the red and white snake. It was scary! Kane 1M

Y5 trip to Observatory

On Monday Year 5 went to the Observatory, there was a show where you can see all the planets up close! Did you know that there are more stars than all the grains of sand in the world? Nevaeh 5D

We had a workshop held by an astronomer. We had a wonderful time finding out facts about the sun, Earth and the moon and we learnt that the moon is nearly 400 000 km away! Visal 5D

School Improvement

The Y6 and Nursery teachers have had their pupil progress meetings this week where the teachers talk about the progress of every child. We have also been looking ahead to after half term and getting things planned in preparation. There are lots of exciting trips coming up for the children!

Parking

Please can I remind parents who drive their cars into the space at the end of Hyacinth Road to be extra careful. There are several children crossing and we need to be vigilant. I have contacted Wandsworth Council about the fact that there are no yellow zig-zag lines in this area and I will let you know when I have a response from them. Also, it has been in the news about how bad the air pollution is at the moment. Please can all drivers turn their engines off while waiting.

Jumpers

I have spoken to 3 different parents this week about lost jumpers. Please can you make sure that your child is coming home in the correct jumper every day and that all jumpers are clearly named. We will be reminding the children in school as well.

Attendance

Most punctual class last week: 2W with only one late
Highest attendance last week: 3H, 2W and 2L with 96% in each class

Whole school attendance for last week: 91.4%

This remains below the 95% expected level

Individual attendance winners: Chantelle (5B), Atlanta (6B), Kachanti (5B), Fatima (2L)

House points: Neptune

Maths Race Winners: Neptune

Reading Race Winners: 4T
