

31st January 2020

There are so many exciting trips coming up for the children. We are off to Birdworld and the Science Museum next week. And then Y6 go on School Journey the week after!

Y5 Visit to the Observatory

The trip to the Royal Observatory was incredibly interesting and educational. We watched a movie on the roof. We all loved everything about the trip but if we had to choose specific parts it would be looking at the prehistoric meteors and going into planetarium. Lilymay 5T, Abdi and Ali, 5G

Y3 Local Area Walk

Our topic is all about our local area of Roehampton so on Wednesday, Year 3 decided to go on a walk to look at the different land uses. It gave us an opportunity to look at the different facilities we have in our area and how our urban landscape varies from a rural one. We came back and drew a sketch map of our route including all the key features we saw.

Head Lice

I have had 2 parents complain to me this week about their children getting head lice. Can I please politely request that all parents are checking their children's head regularly for lice and treating it accordingly.

Online Payments

Please remember that we do have an online payment facility at Heathmere. Instead of using cash, you can set up a SIMS Pay account to pay for everything online. If you would like more information then speak to the office or email them on:

School Improvement

The teachers met on Tuesday after school to consider the maths lesson we had watched in 4HD last week. It was a really great professional opportunity for us to discuss the learning that we had seen, and how we could apply this to our own teaching.

We have also been reviewing the progress we are making in attendance, as this was an area that Ofsted gave us for improvement. Every day really does count so please help us with this aspect. Whole School attendance is currently 95.1% which means we are just about holding onto our Heathmere target for this year of 95%. Within 2 years, it is our aim to get attendance up to 96%.

Royal Albert Hall

Our Year 4 children have been selected to play in a concert at The Royal Albert Hall on the evening of 1st April. This is a very prestigious event and the children are starting to practice already. Put the dates in your diaries and Mr Howland and Miss Durston will liaise with you nearer the time about how to purchase tickets.
