

Respect Resilience High Expectations

11<sup>th</sup> July 2014

We really are starting to hurtle towards the summer holidays! Remember to keep bringing your children to school every day. We break up at 2pm on Wednesday 23<sup>rd</sup> July.

## Sports Day

This week we have seen the KS1 and KS2 sports days. Thank you to all the parents who came and supported. I think you will all agree that the children were delightful and got a lot from taking part. A special thank you to Miss Mitchell and Miss Jackson for organising the days. The Nursery and Reception sports day has been rescheduled for Wednesday. Let's hope the rain stays away!

## Uniform

There are now school coats which you can buy from the school office. They cost £13 and have a fleece lining and a waterproof outside. Please come to the office if you would like to see them. From September all children will be expected to wear proper black school shoes – not trainers. As this year has gone on, children have been wearing trainers and this will not be accepted next year.

## Reports

Your child should come home with their school report and all their end of year information. You will also find out who their new teacher will be. There is a piece of paper inside the reports for you to comment on about your child's report. We always welcome any feedback.

## Parents' Evening

There is an opportunity on Tuesday to meet with your child's teacher for 5 minutes. The purpose is to discuss the report should you wish to. You can make an appointment directly with the teacher or fill in the letter in the report. Mr O'Connor will be doing his parents evening on Monday and Wednesday.

## Ofsted Update

School has received its KS2 SATS results this week and we are really pleased with the results – especially regarding the progress that has been made by the children. We have a few that need checking and I will notify you of the full results once this has taken place. Thank you to everyone who has taught these children – especially the Year 6 team – for what has been a monumental effort. Year 1 phonics results, end of EYFS and end of KS1 results are all pleasing too – Heathmere really is a school on the up!

## Thank you

As we move towards the end of the year I would like to say a personal thank you to all the staff here at Heathmere. It's not always the easiest place to work but everyone really does put in a huge effort to make things as good as they can be for your children. Sadly we will be saying goodbye to several members of staff on 23<sup>rd</sup> July and I would like to thank them all for their hard work and commitment to the children and wish them all the best in their new roles.

*This week, our whole school behaviour focus is:  
being your best self.*

## Attendance

1H were on the benches this morning with their 99% attendance last week! Congratulations to this week's individual attendance winners Shannon (4G) and Sadiya (Ladybird).
