## Y5 trip to Kew Gardens

*Yesterday we went to Kew Gardens to look at South American plants. My favourite part was the palm house as there were so many beautiful plants. Mia 5M*

## MUNGA

*Six of us went to MUNGA at Wandsworth Town Hall on Tuesday. There were 12 teams there and we had to debate the motion: 'This house believes that tolerance is the most important British Value'. We also designed a poster about British Values and represented Nigeria in an emergency UN debate! It was such an exciting day, we all worked as a team and won an honourable mention from the judges!

## School Improvement

At the moment, the teachers are involved in after-school meetings where they are handing up information about children who have special educational needs and disabilities. There are also several transition plans that are underway for children who need them in order to prepare for the new year. Mrs Meyrick has also been continuing to drive improvements in how we teach reading at Heathmere. She has introduced a strategy called reciprocal reading which is so far having a positive impact on children's approach to reading.
