

I have reminded the children in assembly today that there are only 3 weeks left in school before we break up! Please carefully note the dates on this newsletter.

Craig Jenkins – Y2

It was Year 2's turn to spend the morning with Craig Jenkins on Thursday. They enjoyed a storytelling workshop where they were challenged to create their own funny story about a minibeast of their choice; they also enjoyed one of Craig's very own stories. Craig was extremely impressed with the children's imaginations and was amazed to see what great story tellers they all were! Thank you Craig.

Craig then emailed this morning and said:

I wanted to write to say a huge well done and thank you to Year 2. It was an absolute joy to work with them yesterday. Their creative and imaginative ideas brought to life so many wonderful characters and stories. Their behaviour was similarly fantastic! Please tell them how happy they made me feel after such a great session and that I hope to see them again soon.

Contact Wandsworth

Ella, our school social worker, has arranged for a family worker called Victoria Ley from Contact Wandsworth to be at Heathmere on 14th July from 2pm onwards. This is a drop in session. **Contact Wandsworth provide support for families who have children with ASD or ADHD.** They help parents to access advice, workshops and activities. If you would like more information, please phone or whatsapp Ella 07866 031572.

Sports Days

Sports Day for KS1 and KS2 children will take place at Dover House Road Playing Fields on Monday 12th July and for Nursery and Reception on Wednesday 14th July in the school playground. We have to work within DfE covid-restrictions and therefore parents won't be able to attend the event this year. We will take lots of photos and make sure that the children have a wonderful time.

	Events	Clubs 3.30 – 4.25pm
Monday 5 th July		
Tuesday 6 th July		Y3 dance 3.30 – 4.15

School Improvement

We have been continuing to think about the curriculum for next year – choosing the best reading texts, selecting the most suitable topics and looking back at which maths skills need reinforcing. We are also starting to prepare transition work for children with special needs so that we can ensure they settle quickly into their new classes.

School Readiness Webinar

The Speech and Language Therapist who oversees the caseload at Heathmere, is delivering a webinar over Zoom for parents who are interested in supporting their children to be ready for school. This will be useful for any parent who has a child aged 0-3.

Wednesday 7th July

10am and repeated at 2pm

Zoom code: 609 896 4866

Password: Speech

Summer Unlocked

There will be full information available soon for Wandsworth Council's Summer Unlocked programme. This includes summer activities for a range of different children. I will update you once we have the full programme, which will include some activities with Miss Orde at Heathmere.
