

It seems to be getting busier and busier in school and we move further towards the end of the year! I hope you are able to join us at lots of the school events.

Summer Fair

This takes place tomorrow from 1pm – 3.30pm so please do come and join us. It will be a great day! You will need to enter via the old blue gate on Alton Road, by where the school-keeper's house used to be. This is the same entrance as last year.

Y1 trip to the seaside

I loved building sandcastles and going in the sea. It was so much fun! Alex 1H
Last Friday we went to the beach and we made sandcastles and went in the sea! Saphia 1H

Y6 Science Workshop

It was fun because we learned loads about how much vitamin c different fruit have Gracie 6B
The best part of the experiment was changing the colour of the water by using fruit juice Chenai 6B

KS2 Sports Day

KS2 had their sports day at Dover House playing fields yesterday in a very hot but exciting day. The children took part in 8 events including relays, 100m, shot put and obstacle courses. Overall Neptune won sports day with over 730 points! Huge thanks to all parents and teachers who made the day so great for all the children. A big thank you to Matt for organising the day so well.

School Improvement

We continue to strive towards improving things all the time at Heathmere. Following our maths review, there has been lots of discussion around how maths is going to improve further. We know that the pitch of learning and expectations are already high, however we are going to improve the structure of KS2 maths to make sure there is a good level of challenge for all children all the way through lessons.

Snap Chat Maps

Can all parents please check to see if your children have Snap Chat on their phones. Firstly, I strongly advise that this is not a good way for primary-aged children to communicate as the messages disappear so there is no trail of what has been said. And secondly, there is a new feature called Snap Maps which pinpoints exactly the location of the user. This is the actual address – not just the town. Please delete this from your child's phone as it is not safe. Do come and speak to me if you have any queries about this.

Transition Meetings

There are meetings for Reception parents and Year 2 parents to meet the Y1 and Y3 teachers for next year. Both are important transitions so do come along.

Reception up to Year 1 – Friday 14th July at 3.20pm
Year 2 up to Year 3 – Wednesday 19th July at 3.30pm

Attendance

Most punctual class last week: 2W – no lates
 Highest attendance last week: 4J, 4T and 1M with 95%

Whole school attendance for last week: 91.2%
This was so low as many children celebrated Eid

Individual attendance winners: Chantelle (5B), Nishat (4T), Kachanti (5B)

Maths Race winners: 1M, 5B
