

Your children will be coming home with their reports this evening. Please read them carefully and come and speak to the teachers after school on Monday if you would like to discuss anything in them.

Summer Fair

It's the Summer Fair tomorrow from 1pm - 3.30pm. Enter the Fair from the gate at the front (next to where the caretaker's house used to be). Entrance is 50p for adults and you can buy tokens on the day to spend at the Fair. There are lots of great stalls and some fantastic raffle prizes - please invite friends and family. All the money raised goes straight to the school. The Wimbledon Tennis Final will also be on, if you want to watch it!

Y2 trip to Leeds Castle

*I enjoyed the maze. It was so confusing! Albin 2W
We saw pictures of the kings and queens who lived in the castle. Somia 2W
The moat was really big around the castle. Marshall 2W*

Y6 trip to London Dungeons

On Monday we went to the London Dungeons. It was spectacular! The best part was Jack the Ripper because it all turned black and a figure was standing there. Everyone was scared! Kieran 6J

School Improvement

The school has received its results from the tests this week. There continues to be an improvement in the percentage of Y1 children who pass their phonics test which is expected to be slightly above the national average. The KS1 and KS2 SATS tests were really challenging this year and there are several children who would previously have been at the expected level for reading, writing and maths, but because of the increased expectations, have not met the expected level on the day of the test. If you have children in Y2 or Y6, your teachers can explain more if you would like to speak to them.

24 Competition

*Today we went to Burntwood School to play in a 24 Maths Competition against other schools. I'm really proud of our team as we had to concentrate really hard, but we all were resilient and tried our best!
