

The government have stated that schools are not expected to open more widely before September. I will keep you updated if this changes. The Y4/5 bubble is being separated from Monday as we have a few more children coming in. The Y4 bubble will go into class 2HM – children will arrive and leave through the playground door.

Paper Packs

Please remember that paper packs of learning are available from the school office. If your child is not currently in school, they must be learning at home, either via Google Classroom or the paper packs. Please make sure this is happening. Your children's teachers will help you with this if needed.

Training Day

As you are aware, I cancelled the training day on 1st June so that we could get the children back to school. It has been rescheduled for Friday 26th June. School will be closed and there will be no Google Classroom. The staff are going to spend the day planning the curriculum for 2020-2021. My apologies for the short notice. If you work and are unable to arrange childcare, school will provide free childcare for the day. Please speak to the office for more details.

Nursery 2020 - 2021

We are currently preparing for next year's Nursery and Reception. If your child is aged 3 before 31st August 2020, please contact Anita in the office to talk about a Nursery place. If your child is aged 3 between 1st September and 31st December 2020, please ask about a January start for Nursery.

Book Swap

Several families came to school yesterday to swap their children's reading books over. Please remember that there is a book swap every Thursday. Please come to school to change your reading books.

Fencing

The new fencing and gates should be completed by next Friday. I can't wait for the main gate to finally be replaced!

School Improvement

On Tuesday, we had our weekly staff meeting and were really thinking about our vision for how the curriculum at Heathmere will look in 2020-21 and beyond. We have agreed that we want the children's learning to be purposeful, empowering them to be ambitious for their future. This will be our aim and our focus as we continue to improve our curriculum.

Roof and Windows

On Monday, another set of builders move onto the school site and they will be putting scaffolding up along the KS2 building. The roof is being replaced, as are the windows at the back of the school. This will be a significant improvement to the appearance of the back of the school.

Mrs McNulty

Mrs McNulty starts her maternity leave today. We gave her a send-off over Zoom in our Celebration Assembly this morning. I am sure you will join me in wishing her and her partner the best of luck with their new baby. We look forward to welcoming Mrs McNulty back to Heathmere soon.

Roehampton Community Box

About 60 families have been receiving a weekly delivery of the Roehampton Community Box and about 40 families collect their box from school. As the lockdown continues to ease, from next week, we are requesting that all boxes are collected from school. The final deliveries will be on Tuesday 16th June.

- If you have a child in school, please collect on a Friday between 8.45am and 1pm.
- If you **don't** have a child in school, please collect on a Monday from 1pm – 3pm.
- If you have always collected a box from school, please keep to your Friday time of between 10am and 1pm.

Remember to bring your shopping trolley or bags!
