

Every week there are exciting things going on at Heathmere! I hope you all were able to see some of our Y5 and Y6 girls on the ITV news this week talking about a book that Queen Victoria wrote. The girls represented Heathmere in a way that they should be very proud of and spoke beautifully about the book.

Billingsgate Fish Market

Year 1 had a special visitor from the Seafood School at Billingsgate market. As part of their 'under the sea' topic, a chef came to show the children different fish.

We looked at squid, crab, sea bass, mackerel and a sardine. I held a fish and it was soft. I peeled a prawn and tasted smoked mackerel. It was delicious. Tia 1H I touched all kinds of fish and I ate bread sticks and carrots and prawns. I had to rip the parts off and I found it very yummy. Everyone got stickers because they were all good. I touched the crab which I found it disgusting and funny. Qassem 1H I touched the fish but I didn't like it but I did try to see its teeth but I was too scared that it might bite me. I ate the little baby prawn and it was yummy. I broke little bits off the prawn every time to make it easier for me to eat. Aiola 1H

Artist in Residence

For the past 3 days Heather has come and worked with the children from Reception to Y4. They have been screen printing and the final design will replace the wall hanging in the main corridor.

Breakfast Club

If you would like your child to attend Breakfast Club, please contact the office to fill out a registration form. This is essential for us to be aware of any dietary requirements. This also includes children that come occasionally

School Improvement

Great news! Heathmere was awarded the Basic Skills Quality Mark this week. This involved an assessor visiting school to check how we teach literacy and maths and we passed with flying colours! This is a real endorsement of all the hard work by the staff and children at the school - it shows the progress we are all making at Heathmere. A big thank you to Mr Cooper who led on the work to gain the award.

Ramadan

I am aware that Ramadan starts this week. If any older children are fasting, parents need to please come and have a conversation with either myself or Mr Cooper beforehand. Children who are fasting will not be allowed to run around in the playground and instead will be expected to rest calmly in the shelter.

Lost Property

This is being put into the playground today. Anything not claimed will be washed and turned into second hand uniform. In future, lost property will be looked after by Mrs Simonelli in the front office. Please put your child's name in everything!

Friends of Heathmere

The Friends are organising a 'Denim Day' on Monday. Please make a donation for the summer fair and children can wear an item of denim clothing.
 EYFS chocolate or 'smellies' Y1/2 bottles or tins
 Y3/4 sweets or 'smellies' Y5/6 biscuits or crisps
 Future events: 23rd June please bring in nearly new books, toys or games. 9th July please bring in cakes.
