

The new library is taking shape... its being housed in the breakfast club room. We are very proud to announce that Dame Jacqueline Wilson is coming on 2nd July to open our school library. More details will follow but if you have a book that you would like her to sign then get it ready!

Y2 to Buckingham Palace

*On Wednesday we went to Buckingham Palace and we saw some important people going into the palace to visit the Queen. Eman 2W
The royal flag was flying so we knew that the Queen was inside the palace. We watched the changing of the guards and it was exciting. Lara 2W*

Y5 MUNGA

Some Year 5 children went to a competition called MUNGA. They had to debate with other schools and present a poster. Our children won a prize- well done to Miss Francis and all the children involved.

On Tuesday we participated in MUNGA, it was phenomenal! We got to do lots of exciting debating. I was a bit nervous at first, but felt more comfortable after a while. The best thing was... I won the best speaker! I would love to go to MUNGA again! Julia 5F

Y6 Sports Festival

My favourite events were the juice bikes and handball. Handball was just like football but instead of kicking we threw the balls. The juice bikes were fun too, we cycled on a bike to power a vendor that had fruit to make smoothies. There was music, fun and laughter throughout the day. Mason 6J

School Improvement

On Thursday, Mr Cooper and I attended a conference with several headteachers from Lambeth to find out everything that they have been doing to improve learning in their schools. We've come back with lots of ideas so are now starting to think about next year!

EYFS Sports Day

Thank you to all the parents who came and supported sports day. I am sure you will agree that all of the children did a great job and it was lovely to see so many parents there. Thank you to Miss Barrick and the Early Years team for organising the event!

Class Photos

Please accept my apologies for what I think are poor quality class photos this year. I returned to a traditional style to keep the cost down but I'm sure I'm not alone in thinking that the pictures aren't good enough. I'm trying to get them to put a backdrop in but I'm not sure how successful I will be. We will be using a different company next time.

Friends of Heathmere

23rd June is 'wear silly socks' day. It's uniform as usual but children can add to it with silly socks. In return, please bring in books, toys and games that are in good condition only to donate to the summer fair.

Attendance

Highest attendance: 6J and 6P
Most punctual class: 6P
Whole school attendance 8th – 12th June: 96.1%
Individual attendance winners: Prakish (1H) and Pawel (1A)
House Point Winner: Mars
Smartest Class: 3J
