

It's been a good week at Heathmere with lots going on as usual! Y6 are working hard to prepare for their end of term production and many children are telling me that they are excited about the end of year attendance award.

Y6 trip to London Dungeons

On Monday Year 6 went to the London Dungeons where they were taken to historical events such as the great plague, Sweeney Todd's barber shop and Margaret Lovett's pie shop, the gun powder plot and Jack the Ripper. Year 6 travelled there by bus and train. Most people were scared and it was very dark. At the end of the tour some people went on a ride which takes you up 3 floors and then drops you. After they got off the ride we went into the gift shop where you can buy souvenirs such as a comb which looks like a razor or a key ring.

Bailey 6J

Y3 Sports Festival

Year 3 went to Wandsworth Street Festival yesterday. We travelled by bus. We took part in lots of sports activities and mini sports games. I liked the dancing activity!

Attendance Prize!

Remember that if your child has 100% attendance between Monday 16th June and Wednesday 23rd July, they will get to take part in our end of year attendance treat with a bouncy castle and an ice-cream van!

Ofsted Update

This week the children in Year 1 and some Year 2 children have been completing their phonics assessment and the teachers have been telling me how hard the children have been working! We are being visited again by an HMI inspector on Thursday so we have been busy preparing this week. I will let you know in next week's newsletter how the visit goes.

Ramadan

I am aware that Ramadan starts soon and some of the older children may be fasting. If your child is fasting you must come and have a conversation with the class teacher about it. Unless an adult has spoken to the teacher, we will assume that the children are not fasting.

This week, our whole school behaviour focus is: making good choices

Healthy lunchboxes

I have noticed a big improvement in the children's lunchboxes – please keep this up. Well done to Basra (2M) who won this week's healthy lunchbox prize.

Attendance

Whole school attendance was much better again last week at 95.6% - well done! 5O and 2M both had 99% and so were on the benches today. This was the first time that 2M have been on the benches so a particular well done must go to them! Congratulations to this week's individual attendance winners Oliver (1F) and Chiranjeev (6P)
