

It is feeling like things are getting even busier in school at the moment! Please keep an eye on the newsletter for dates of things that are coming up.

Reading!

Please look out for some new and exciting 'Collins Big Cat' home-reading books in your child's book bag this week, as we've just bought 1,000 new fiction, non-fiction and poetry books to encourage your child to read more at home and to challenge them to read something new! Thank you for reminding your child to read every night at home! We hope they enjoy the new books!

Also, the Roehampton librarian will launch 'The Summer Reading Challenge' in our assembly on Friday 1st July at 9am - please join us to find out more about how your child can take part in this great reading challenge over the summer holidays.

Y1 Football Tournament

We went to a football tournament. I think we played very well. Meie 1V

We had to play lots of matches and it was lots of fun playing other teams. Himanshu 1V

Lion King

On Friday we went to see the Lion King at Ibstock school. At first, we couldn't believe that this was being performed by children who were in Y6. The acting and the singing were brilliant! Kenzie 6B

School Improvement

We are now starting to text spellings home in case children forget them. Apologies that the wrong ones were sent initially but hopefully this will be on track. This will help parents to support children to learn spellings at home. This week, Reception, Y2 and Y6 have submitted their final assessment data to the Wandsworth LA. There has been lots of work taking place to moderate the judgments to ensure they are accurate.

EYFS Music Workshop

Nursery and Reception children enjoyed taking part in the Brazilian music workshop this week. They created music with instruments and their voices. They then marched in time to the music. This workshop has also taken place at Granard and Eastwood so hopefully the Reception children will be going to Eastwood on Friday to join in a shared performance.

Next Year

I am getting lots of questions from parents about when you will find out about next year and who the new teachers will be. All of this information will come out in the children's reports on July 8th. Please be assured though that the teachers are already starting to prepare.

Attendance

Highest attendance: 6J and 1A with 97%
 Most punctual class: 5M with no lates last week!
 Whole school attendance last week: 91.9%
 Individual attendance winners: Ryan (6J), Kieran (6J), Omar (3H) and Cameron (1A)
 House point winners: Jupiter
