

A huge thank you in advance to Mrs Lipinska, Miss Hersi, Mr Howland and Tim who are heading down to Kent on Monday with the Y6s on School Journey. We are really hoping that covid doesn't stop the trip – please be extra-careful over the weekend!

Y2 trip to Windsor Castle

Year 2 visited Windsor Castle on Monday. All the children had an amazing time and enjoyed their workshop about the castle. Alex, Adriana, Samreen, Masi, Abeer, David and Hamza all got to be a knight defending their castle from enemies!

The Royal Standard Flag was flying high that day, it was a shame that we didn't get a chance to meet the Queen!

Pop-up Book Hut

We have been lucky enough to secure a Pop Up Book Hut from the Children's Book Project for this term only. The Book Hut will be kept in the KS2 playground under the shelter and will remain there until the end of term. Children will visit the Book Hut twice this term with their class during the school day; they will get to take a book from the hut to keep each time they visit. The books in the Book Hut have been kindly donated to us by a variety of charities that work with schools to get books into homes. We hope you enjoy reading the books your children bring home from the hut with them!

District Sports Athletics

On Tuesday, a few of our KS2 children had the opportunity to compete against 7 other schools in the PPSSA athletics day. Events for the day included: standing high jump, long jump, javelin, sprints and relays. A big well done to all the children who took part in this event: Arnel, Jayden, Callum, Zaid, Ramelle, Michal, Heidi, Saphia, Xhyriel, Ihcene, Lilee, Letizia, Arcanje, Jade, Alexandra, Mansoor, Maryam, Luca, Abdullah, Daniya and Marina.

I was surprised with how everyone encouraged each other and how kind the other children were. Everyone was cheering me on. It was not about who is the best but just about taking part and having fun. I really enjoyed that. Zaid 6L

School Improvement

We welcomed Mrs Mitwali back and she has already been working hard with the teachers to review the curriculum from this year. We are starting to look forward to consider our priorities in 2021/22. This year, we have focused on developing our Geography and History teaching; we will be concentrating much more on Science next year.

Roehampton Community Box

If you wish to collect a Community Box, you must now sign up every week. You won't be able to collect a box if you haven't signed up. The boxes contain food and are collected from Eastwood Children's Centre on a Tuesday afternoon. Please speak to Judy or Orose if you are unsure.

Apprentice

For the last few years, we have employed apprentice Teaching Assistants at Heathmere and I am looking for 2 apprentices to start in September. I would be particularly interested in hearing from former Heathmere students. The apprentice would need to be aged 16-19. Please come and speak to me on the gate if you would like more information.

Craig Jenkins in Y4

Year 4 had the wonderful opportunity to plan a creative story with Craig Jenkins.

"We created a story about a tiny dog. I really enjoyed it because Craig is really funny!" Niketh, 4G

"I enjoyed making our own characters and putting them into a story." Alexandra, 4V

Parking at Hyacinth Gate

Please be aware of others when parking by Hyacinth Road Gate. As I have explained before, this is housing land and so the same restrictions don't apply as they do for roads. However, I am sure all parents agree that they should enter and exit the space safely and in a considerate manner.

	Events	Clubs 3.30 – 4.25pm
