

There are only 3 weeks until the school breaks up for summer. It continues to be important that your children come to school every day. There are so many exciting things happening at the moment for your children to be involved in at school!

## Y6 trip to Chessington

*Chessington was really awesome. We got to go on so many rides and we had a lovely time with the adults who helped us, including Miss Jackson's mum! My favourite ride was the Dragon Falls Log Flume because it gave us a great view of the London Eye and the Shard in the distance.*  
Ozgur 6P

## Special Speaker

Zillah Bingley from Sparks children's charity gave an inspiring talk to our older children about the work her charity does to find cures for childhood illnesses. Zillah also talked about the jobs she has done, including working as a scientist, a lawyer, a businesswoman and now for a charity which she said was her 'dream job'.

*I learnt that you need to work hard and that if you work hard you can get your dream job.* Isata 4F

## Friends of Heathmere

Children can take part in a poster competition this weekend to advertise the Summer Fair. The best posters will be chosen by the Friends of Heathmere and put up around school and the local area. The Summer Fair is Friday 10<sup>th</sup> July at 2pm. There is a lot of work being put in to organising the Fair so please come along and support the school.

## School Improvement

We are currently working on our end of year assessments. As I write this, the Y2 teachers are with other Y2 teachers from across Wandsworth moderating their assessment judgments. End of Reception assessments have already been sent off and 62% of the children have achieved a 'good level of development' which is 15% higher than last year and shows the school continues to improve.

## Library

The new school library really is coming together and it's very exciting to see it take shape. Dame Jacqueline Wilson is coming to school on Thursday to talk to the children and officially launch the new library. If your child has an autograph book or a book written by Dame Jacqueline Wilson then please bring it in.

## Next year

I am getting lots of questions about next year. In order to keep things settled for the children, new classes and teachers will not be given out until the 10<sup>th</sup> July when the reports are sent out. What I can tell you is that the current Y4 class and the current Y5 class will both be split into 2 classes. Please be assured that careful consideration will be put into making sure the new classes have a good balance (they will not be streamed) and decisions will be made by the teachers based on the children's learning needs.

## Attendance

Highest attendance: 6J again!

Most punctual class: 6P again!

Whole school attendance 15<sup>th</sup> – 19<sup>th</sup> June: 95.1%

Individual attendance winners: Liam (3S) and Cameron (6J)

House Point Winner: Saturn

Smartest Class: 6J
