

**Respect Resilience High Expectations**

Thank you to all parents who joined us for the Eid celebration in school on Tuesday. I am sure you will agree that the food was amazing and everyone there really enjoyed it.

## Y2 trip to Leeds Castle

*At Leeds's castle they have a gigantic maze and we went inside it. We got a little bit lost trying to find the way to the top but it was lots of fun. From the top you could see everyone! What a good trip it was! Aaliyah 2W*

## School Improvement

Staff have been working in teams to look at the curriculum for next year. At Heathmere, we are always looking to improve things so lots of discussions have been taking place to improve the topics and make sure learning is going to be challenging and interesting for the children.

## Send My Friend

Next week, the children will be taking part in the Send My Friend campaign. 263 million children across the world are missing out on school - we will be finding out more about this and sending some of our learning to our local MP and to No 10 Downing Street.

## ESOL and GCSE classes

Well done to those parents who have completed their ESOL classes to help them learn English. They were all given certificates this week to celebrate their achievements. There will be more classes in September so please do speak to Emilia Misheva if you would like more information. Please also remember there are Maths and English GCSE classes taking place in school from September. Speak to Emilia if you are interested in finding out more.
