

Welcome back after the half term. I can't believe that we are heading towards the end of another academic year! I hope you are continuing to notice the improvements around school. The windows in the front office, my office and staffroom have been replaced as have the windows and doors at the end of the main corridor. Wandsworth have agreed to pay for the Year 1 and Year 2 windows and doors to be replaced which will be later this year.

Sports Day

Thank you firstly to all of the children for their fantastic efforts which made for an exhilarating sports day! A big thank you to the adults who came to support the children, you created a really exciting and positive atmosphere. I know all of the staff had a great day too, seeing every group show off their resilience and athletic ability especially on such a glorious sunny day - well done everyone!

Mr Lawrence

RNLI

We will be holding our annual collection to support the Royal National Lifeboat Institution. If you would like to support this worthy cause, your child can bring in a donation next week. Thank you!

Attendance

Highest attendance: 6J with 100% for the 3rd time!
 Most punctual class: 6J and Ladybird
 Whole school attendance 18th – 22nd May: 94.5%
 Individual attendance winners: Salman (6P), Alfie (5F), Waleed (2S), Jaylen (1H), Legend (1H), Aliyah (butterfly)
 House Point Winner: Neptune

School Improvement

The Y6 teachers had a visit from the Local Authority to look at the writing books of every child across the whole year group to check that the teachers are giving the children the correct levels. The Local Authority have said that Miss Jackson and Mrs Pyper have both been giving the children the correct levels. They also congratulated the teachers on the breadth of writing that the children had produced over the past year.

Dates

It's such a busy time of year I thought it would be useful if I listed upcoming dates. There will be others to come but we will keep you informed.

| | |
