

**Respect Resilience High Expectations**

I hope that you all had a restful half term holiday. We are already starting to think about getting things ready for the new term in September. We will let you know all the details when the reports come out in July.

## Y1 Spanish Day

Yesterday Year 1 had a Spanish Day. They learnt how to greet people in Spanish and the numbers 1-10. In the afternoon they performed Spanish songs and shared food from Spain with their parents.

*My favourite activity was singing our Spanish number song to our parents!*

## Nursery to Bocketts Farm

Despite the very windy, wet day on Tuesday, Nursery enjoyed a fantastic day at Bocketts farm. The children enjoyed animal handling of rabbits, guinea pigs and even chickens. We also had an opportunity to observe milking of Bertie the goat. Needless to say, the children will be thinking twice every time they have an ice cream this summer. We were lucky to have the weather clear in Surrey and thus enjoyed a fabulous pig race to round off the day. Overall, it was a successful trip.

## Y6 Teen Tech

*On Wednesday, we went to an event called Teen Tech at Roehampton University. There lots of different schools taking part. We built our own City of the Future with a group of Year 7 children. At the end, the cities were judged to see whose was the best. We won a trophy because our City was the best space for learning. Yusein 6B*

## School Improvement

This week, we have been looking really carefully at the progress of children in Year 3 and Year 4. We have discussed every child and how much progress they have made since the end of Year 2, and what we need to be doing next to make sure every child is fulfilling their potential.

### Daily Mile

The children are taking part in the Daily Mile over the next few weeks. All children in Year 6 will be running at least one mile a day. Other year groups will take part in this for one week in between now and the end of term.

## Pedometer Challenge

The school will take part in an exciting daily activity challenge this half term. Children from each class in years 1-6 will wear a pedometer each day to measure their activity levels and the number of steps they make during a school day. This will be a whole school competition between house teams with prizes and special awards for children who are more active! Keep an eye out for the next newsletter to see how far we've travelled!

## Parent Open Hour

Look out for these dates next week. Parents are invited to come into lessons in your child's class.

## Attendance

Most punctual class last week: 4J and 1M

Highest attendance last week: 4J with 100%

**Whole school attendance for last week: 94.7%**

**This was close to the whole school target of 95%**

Individual attendance winners: Andy (6B), Joel (4J), Jaylen (4T), Josh (3R), Baljeet (3H)

House points: Saturn

Maths Race winners: 2L

Reading Race winners: 4T
