

Respect Resilience High Expectations

A reminder that school will be close at 2pm on Tuesday for Parents Evening

Y3 trip to Tower of London

On Wednesday Y3 visited the Tower of London. We had the opportunity to enjoy sightseeing whilst travelling via the boat along the River Thames. Y3 class

Story teller

Today the story teller was great. He told a scary story but not only that he was hilarious. We wrote a back story about the story he told us. It was fun and I hope that he comes again. Kara, Y6

Neal Zetter

We were lucky to have Neal Zetter in Y4 for the entire afternoon. I enjoyed making the performance poetry about transport and journeys. It was fun watching the other group perform and hearing the catchy lyrics, Fatima and Bobby

Chicks in Nursery

The children in Early Years have been very excited as the chicks have been hatching this week. Please do pop in and see them before or after school if you wish to.

15th March 2019

School Improvement

I hope that you have all taken time to read the Heathmere Ofsted Report that was sent home of Tuesday. As you can see Heathmere continues to be a good school. I am really proud to be the headteacher of Heathmere and I know that your children are receiving a good standard of education. There were so many strengths listed and I was particularly pleased to hear that Ofsted felt that we taught early reading well, maths was well taught across the school, teaching is effective, provision for children with Special Educational Needs is effective, pupils have positive attitudes towards their learning and that school leaders are caring and passionate. The report will be published online in due course.

Fontley Way Development

Last night, Asma (Parent Governor) and I attended the consultation on this development. It goes through the plans for how council tenants will be moved when the regeneration of the Danebury Avenue area starts. I recommend that you visit on Saturday – you only need to drop in for 10mins to get a good idea of what is happening.

**Manresa Clubroom (Fontley Way, SW15 4LY)
10:00 to 13:00 on Saturday 16 March**

Attendance

There was an improvement in our whole school attendance last week – I hope that this now continues. As you have seen from our Ofsted report, attendance has come through as a key area for improvement. It is something that we work on tirelessly here and yet we are still not managing to make the improvements that Ofsted think we should. As a school, we really rely on parents to help attendance improve. I am going to be talking to the Local Authority and School Governors to have another look at what we can do differently and better, in order to address this.

	Events	Clubs
Monday 18 th March		Y1/2/3 Ninja Kids! – Matt Y4/5/6 Tennis – Tim
