

Thank you to all who attended parents' evening this week. We welcome Miss Simonelli to her new role of Receptionist. Many of you will already know her in her previous role as Y1 Teaching Assistant.

Y6 Workshop

The workshop was very interesting as well as extremely hilarious. On Tuesday we all had a lot of fun learning about the human body. The highlight of the day for me was the part where 6J finally claimed the golden certificate, but 6P got it last time so I guess we're even now. Michelle 6J

Sainsburys Vouchers

Collecting Sainsbury's active kids vouchers is a great way for our school to receive free and new equipment which can be used during playtime and PE lessons. If you are able to bring in any of these vouchers it would be fantastic because we are collecting them. Thank you! Mr Lawrence.

Book Fair

The Book Fair is back in school all next week. There will be a huge range of books, starting at £2.99. For every book we sell, the school earns credits to spend on new books. The Fair will be in the dining hall every day from 3.15pm - watch out for a special visitor who will be coming to promote the Fair! World Book Day tokens have been sent home this week. These can be exchanged at book shops for a £1 book or you can use them to get £1 off a book over £2.99. They can also be used at the Book Fair.

Children at the end of the day

Please keep an eye on younger children at the end of the day as they are playing on the far side of the playground while waiting for older children.

School Improvement

This week I have been setting the budget for how we are going to spend our allocated money next year. I have continued to prioritise the ongoing replacement of windows and doors, as well as allocating the largest amounts of money for creating a new school library, continuing to improve the resources in the Early Years and increasing the amount of maths resources the children have access to.

Policies

We have recently updated our Special Educational Needs Policy, Medical Policy and Sex and Relationships Policy. These are in their parental consultation phase and are on the website. Please ask in the front office if you would like a paper copy. If you have any feedback then please speak to either myself, Ms Salih or Mr Cooper. If I don't have feedback by 27th March I will assume that everyone is satisfied with the policies.

Take Over Day

We have been headteacher for the day. We have been following Miss Lewis for the whole day. One of the things we did was looking at pupils' learning around the school and checking that everyone was learning. We have also been in important meetings that have been involved in budgeting, which was very interesting. We interviewed our headteacher while having some tea. Jokubas 6J and Masroor 6P

Attendance

Highest attendance: 6P with 100% again!
 Most punctual class: Butterfly class
 Whole school attendance since September: 94.5%
 Individual attendance winner: Ricardo (4F), Casey (3K) and Archie (3K) Smartest class: 6P
 House Point Winner: Saturn
