

Coronavirus

While we all remain on high alert over the coronavirus situation, I will continue to keep you updated about the school's response.

We are talking to the children regularly in assemblies and in class about coronavirus and how important good hygiene is to help combat this. We are showing the children videos about how to wash their hands and reminding them to wash their hands for 25secs. The trumpet mouthpieces have all been put through the dishwasher and the water bottles are also going through the dishwasher more regularly.

I am sure that many parents will be wondering about school closure. Heathmere will be staying open, unless advised by the government or Public Health that we need to close the school.

Speeding on Alton Road

It has been reported to me that some people are driving very quickly along Alton Road. Please can I respectfully remind everyone that there is a 20mph speed limit across the whole of the Alton Estate.

Place2Be Update

Sadly Kerry, who works alongside Iffat in P2B will be leaving us at Easter as her contract with Place2Be has expired. I am sure you will join me in thanking her for all her hard work for the children of Heathmere

Parents' Evening

Thank you so much for coming to Parents' Evening on Tuesday. We all hope that you found it useful. If you have not yet seen the teacher, please make an appointment to see them; it is important that you take this time to discuss your child's learning.

Open Hour

School will be open to parents 9am – 10am on Wednesday 18th March. Y3 will not be open though as Miss Ramsamy and Miss Lopes won't be in class.

School Improvement

Unfortunately, the teachers from Shanghai have not been able to come to London for their return visit due to the situation with coronavirus. As a result, Mr Howland and another Mastery Specialist Teacher have stepped into the breach and delivered modelled lessons to around 200 people at Knollmead School over the last couple of weeks. This wasn't an easy task and Mr Howland has done a great job!

Y3 to the Tower of London

We went to the Tower of London and it was so cool! We saw the armour and the crows that live there. Ivan
The Tower of London was very exciting because we saw the Queen's Jewellery and her expensive crowns! Asena

Y2 to the Lion King

This week, Y2 went to see The Lion King. The children had a wonderful time watching the performance which was full of vibrant colours and music.

Seeing all the African animals on stage was amazing!" Mia-Mae

The show was spectacular! Brittany
The songs were brilliant! Areesh

Attendance

For the week: 03.03.2020

Class % Attendance Expectation is 95%				Class Punctuality (Number of Lates)
