

We break up on Wednesday so this will be the last newsletter I write this term. I hope that you all have a good break and we look forward to welcoming you back on Monday 19th April.

Easter Competition

Remember to bring your entries on Monday!

- Decorate an Easter hat
- Create an Easter Egg picture or collage
- Make some Easter-themed cakes
- Make an egg creation using one or more blown eggs

Winners will be announced on Wednesday.

Red Nose Day

Thank you to everyone who contributed to Red Nose Day. We raised £209 for Comic Relief. Thank you to Miss Mooney in Year 1 for organising the day.

Free School Meal Vouchers

Wandsworth Council has agreed to provide FSM vouchers for the 2-week period of Easter to the value of £30 per eligible FSM child. These will be issued by Wandsworth from Wednesday 31st March. If any parents have issues in printing off the vouchers, please speak to the admin office who will try and assist you.

Uniform Survey

Thank you to all the parents who responded to our survey about uniform. It was helpful to gather your views. There were no really strong preferences other than the majority of parents preferred their children wearing trainers to school and most parents wanted the uniform to be comfortable and affordable. You still have until Wednesday to submit your views.

School Improvement

On Monday, we welcomed our school link inspector to Heathmere. We spent the day looking at Geography. This included watching teaching, looking at books and speaking to children. It was a really positive day and lots of strengths were identified in how we teach Geography. We need to keep making sure that we carefully select the geographical language that the children are learning and then teach in a way that means children learn and remember geographical facts.

Times Tables Rockstars

Look out for the "Royal Rumble" competitions on Times Table Rockstars for all KS2 classes to compete against each other between now and the end of term. Please encourage your children to log on and take part. If you are not sure of the login, please speak to the teacher or email the office.

Clubs

We are going to start offering some after-school clubs to children in Year 1 and Year 2. These are free for the summer term. Judy will contact you separately with the information next week. Places will be allocated on a first come, first serve basis.
