

**Respect Resilience High Expectations**

6<sup>th</sup> March 2015

We've had a week of visitors at Heathmere and I have shown people around the school every day this week. I have been very proud of the children showing their fantastic learning. Our school inspector commented on Wednesday that the school had continued to improve since our Ofsted inspection.

## Y5/6 Football

*Yesterday was the girls' football tournament. The first match was amazing because we scored 3 goals. The second match we drew 0-0 and the third we lost but we kept it up and showed resilience! Chakiena and Emily Y6*

## World Book Day

We had a great day in school yesterday celebrating World Book Day. Thank you to all of those who went to the effort to dress up. The book sale after school has helped to further raise funds for our school library. We are aiming to raise £500 to contribute to the purchase of books.

## Comic Relief

Comic Relief is on Friday. Please bring in £1 for the charity and come either dressed in red or dressed as something funny. If you are feeling really creative you can do both!

## Parent Governor

Voting slips have been sent out this week. Please return your vote for one of the 3 parents who have stood for election.

## School Improvement

On Wednesday, we had a whole school Maths Review. As maths come up as our key area for improvement in Ofsted, we wanted to have a look at how maths was being taught across the school and identify our areas for development. We also spoke to some children about their views of maths which were very positive. We have also had several visitors from the Wandsworth LA this week including the Assistant Director of Education.

## Place for Parents

A Place for Parents is a free, confidential counselling service, offered to all parents at Heathmere. It gives parents and carers the opportunity to speak to a qualified parent counsellor about any concerns or worries they might have about their children, themselves, the family, their home or work life. The service is run by Place2Be on Friday mornings by appointment. If you are interested please contact Kate Thomas and she can make a referral. Kate can be contacted via the school office or by e mail [kate.thomas@place2Be.org.uk](mailto:kate.thomas@place2Be.org.uk)
