

It has been a hard week in school for the Year 6 children who have taken their SATS this week. However, they have all been very resilient and have shown a great attitude to the tests.

Nursery library visit

The Nursery children enjoyed a visit this week to Roehampton library. Don't forget if you are not a member of the library it is easy to join and the children's library is fantastic with lots of exciting books to read and borrow.

Maths and English for parents

We are delighted to announce that we will be running two more groups for parents from September 2017 in collaboration with South Thames College, following the success of the English classes for parents that we have been running since March.

A new beginners group for parents who speak English as an additional language will run once a week, beginning the third week of September. The classes will take place in the morning at school. The group that started in March will continue to run next academic year at the same time.

We are also going to introduce GCSE level English and Maths classes for parents who want to achieve an additional qualification or just want to improve their English and Maths.

The classes will be tailored to the participants' needs, so if you have any questions or suggestions, or simply want to find out more, please get in touch with Emilia Misheva, our Family Link Worker.

Headlice

Please can I remind all parents to check your children's head for headlice. If you see headlice, it must be treated immediately please.

School Improvement

The teachers are currently working in small project groups to think about how to develop metacognition strategies with the children. The simplest way to explain metacognition is 'learning to learn'. We talk to the children all the time in school about how important their learning is so it is equally important that we teach the children how to learn.

Reception Workshop

This week, Reception took part in a creative workshop linked to the Wandsworth Fringe Festival. Do go along to the Wandsworth Fringe Festival from 11.30am tomorrow by Roehampton Library.

KS2 parents

Can I politely request that parents are not in the KS2 corridor at the start and end of the day. All teachers are always available to speak with parents in the playground at the end of the day. Urgent messages in the morning should be passed on at the door or through the office please. Thank you for your support with this.

Attendance

Most punctual class last week: Rec/L, 2W, 4J

Highest attendance last week: 4T with 100%

Whole school attendance for last week: 94.6%

This was a better week but is below the 95% attendance target

Individual attendance winners: Antoni (4T), Tristan (3H)

House points: Jupiter

Maths Race winners: Rec/B, 2W, 5B

Reading Race winners: 1H
