

It's been a busy week in school and the Y6 children have been working particularly hard on their SATS tests. Thank you to all the families who have supported the UNICEF day for change today. All of the money raised will be sent off next week.

Road Safety

It was a funny workshop which taught us a lot about Road Safety. We all enjoyed it! I learnt lots of tips on how to be safe on the road. One of them was to wear bright colours at night. We enjoyed the quiz and all the drama! Nishat and Eman 3R

Y2 trip to London Zoo

*Yesterday Y2 went on a trip to London Zoo. My favourite part was when I was in the penguin costume on the penguin beach. Larissa 2W
We had lots of fun and we saw lions and tigers. My favourite animals were the giraffe because they are so tall. Nada 2W*

Butterflies in Reception

The children in Reception have had live caterpillars in class. We have been watching them grow bigger and fatter. Until eventually they made their cocoon. This week from the cocoons emerged some beautiful butterflies. Check out Twitter @heathmereschool to see the butterflies being set free.

Sun cream

Please make sure that on hot days children have sun cream applied before coming to school. They can also bring some in for lunchtime if needed.

School Improvement

The school has been working really hard over the last year to make sure all of our assessment systems are in line with the new National Curriculum. It has been a challenging process as the content is much harder for the children and there has been less guidance than we are used to. Heathmere has developed an assessment model that is now being shared with other schools in Wandsworth. In addition, Miss White (Y2 teacher and KS1 leader) has been chosen by Wandsworth to go and moderate Y2 learning in other schools across Wandsworth.

Reading Workshop

All parents are invited to join Mrs Meyrick on Tuesday 17th May at 9.00 - 9.45 for a Reading Workshop. She will share information on how you can support your child's reading at home.

Dates

30 May – 3 June	Half Term
Monday 6 June	School closed – training day
Tuesday 21 June	Class photos
