

The children in Year 6 have completed their SATS this week and I really couldn't have asked for any more from the children or their teachers. When I think back to when these children were in Y4, I can't believe the progress in learning and behaviour so many of these children have made. I really am very proud of everyone as I know how hard they have worked and how much they want to learn and do well.

## Y5 home learning

The children in Y5 have been set a home learning project to create something linked to their topic of Brazil. There have been some amazing entries with Emmanuel, Ryan and Anna F getting a special well-done from Miss Francis. Check out Emmanuel's Aztec head!

## Appeal for Nepal

We have raised over £100 – thank you for your contributions. Mr Hunt will get the money sent over to the school in Nepal.

## School Improvement

This week, Mrs Pyper and I have been looking at Maths books in Year 1 and Year 2 to see how the children are progressing with their learning. Year 1 have introduced a new style of maths teaching this year called Maths Mastery. It is based on the Singapore style of teaching maths. So far the outcomes are looking very strong and the children have a really good understanding of number. We will be looking at the KS2 books next week!

## Friends of Heathmere

A big thank you to everyone who helped organise our summer BBQ. I'm writing this in advance but I'm sure it will be a great success. All funds are going to our new library. The Friends have also set up a Facebook page – please visit! Thanks to Hazel Tracey (Mia's Mum in 1H) for setting this up.

## Medical Policy

The medical policy has been through its consultation phase and is now in practice. If your child has an ongoing medical condition then we will need you to work with the school to create a Care Plan. If your child requires prescribed medication in the short term then please consider whether this can be administered at home. If medicine needs to be administered in school then speak to the office or Ms Salih (Assistant Head for Inclusion and SENCO).

## Attendance

Highest attendance: 6J with 100%  
 Most punctual class: 2W, 6J and Ladybirds  
 Whole school attendance 4<sup>th</sup> – 8<sup>th</sup> May: 96.4%  
 Individual attendance winners: Monae (1A) and Gaby (1A)  
 House Point Winner: Neptune  
 Smartest Class: 5F
