

As another half term comes to an end, I can't believe that we are starting to now think about the next academic year! I hope you have a good week off. Please remember that we are closed on Monday 5<sup>th</sup> June for a teacher training day.

## Y1 to Roehampton Uni

*My favourite part of the trip was seeing the beautiful ducks that they keep. The baby ones were so cute! We also took pictures of lots of animal houses.* Heidi (1M)

## Elli Woollard

*In 5D, the famous author called Elli Woollard came and did a workshop about her phenomenal 'Swashbuckle Li' which is a story inspired by Horrid Henry. The whole class planned a story about a pirate, who goes to school, and a menacing pirate. Unluckily, we all had to smell and touch the stinky Stinkbeard's black, bushy beard. It smelled of rotten socks and seaweed!* Visal 5D

## Basketball Competition

The school basketball team represented Heathmere really well this week. Well done to: Somiya, Lola, Danielle, Kyle, Liam, Alfie, Dexter, Kay and Chenai.

*The basketball event was great fun. When Kyle scored a 3 pointer, everyone cheered because that was the first time we scored. If I was given the chance to go again, I would!* Danielle 5B

## Camp Bounce

Matt Gale (PE Teacher) will be running a multi sports activities at Heathmere school during half term from Tuesday-Thursday, 9am-3pm. Only £10 a day, Please email [bouncewandsworth@gmail.com](mailto:bouncewandsworth@gmail.com) to book.

## School Improvement

It has been a busy week for school improvement. We have met and discussed all the children in Year 5 and Nursery, met several parents of Y5 children to go through support plans, and discussed how we are going to improve our Reciprocal Reading to make sure children are making as much progress as possible.

## Football Competition

The Y4/5 football team attended a competition at Southfields Academy this week. They won 2, drew 2 and lost 2. Well done to the team of Jaylen, Dexter, Kamaludin, Karaey, Joel, Seedy, Oliver, Liam, Denzel and Aaron who represented Heathmere very well.

## Maths and English classes

Thank you to those of you who have been in touch to express an interest in the English and Maths classes for parents! We would like to clarify that the English and Maths classes are suitable for parents who speak English fluently or as a first language, whereas the ESOL classes are suitable for parents who don't speak English as a first language and would like to improve their English. If you have any questions or just want to find out more about the courses, please come along to the coffee morning organised by Emilia Misheva, our Family Link Worker, at 9am on Thursday, 8<sup>th</sup> June.
