Jubilee Celebrations

As I write this newsletter, we are getting excited about our Jubilee party later this afternoon. Thank you for all of the help you have given to make crowns for the children and provide food. Every child will be given a Heathmere/Platinum Jubilee commemorative mug today to bring home as a memento for this special event.

Y2 trip to the London Eye

Yesterday, Year 2 went to London to take a ride on the London Eye and River Cruise along the Thames. They saw lots of famous London landmarks that they will be learning about in their geography lessons next term. The children had an amazing time looking at the city sky line.

New Roehampton Community

There was a very successful opening of the New Roehampton Community Box last week with 99 families using the shop. A small membership fee is charged (£4) and families can come and use the shop. If you would like more information about how to use the community shop, please speak to Judy in the office.

More volunteers are required to help run the community shop. It's based at 166 Roehampton Lane and if you are interested in volunteering for 3 hours on Wednesdays, please let me or Judy know and we will put you in touch with Nikki who coordinates the shop.
