

I hope that you are all looking forward to a relaxing week off from school. After the half term holidays we will have a really big final push to get as much learning out of the children as possible before the summer break!

Basketball tournament

Our team was Ricardo, Kamaludin, Isata, Chenai, Kyle, Andy, Kay and Alfie R. We had lots of fun and came through to the semi-finals. We were 4th overall and were so close to making the finals!

Kamaludin (4G) and Isata (5B)

Big foot Workshop

On Tuesday we did some activities with Big foot. We played games and had to pretend to be a statue. It was fun! Aliyah (1V)

We had to do drama and it was very exciting! We had to create a monster with our friends. Nabil (1V)

Baby news

Good news – Mrs Gaynor had her baby on Monday! Theodore Oscar Gaynor and he weighed 7lb 2oz. Mum and baby are doing well and are back home. I am sure you will join me in passing on our congratulations.

Ramadan

I am aware that when we come back from the holidays, some families will be fasting as part of Ramadan. I wouldn't expect primary-aged children to be fasting during the school week. However, if your child is fasting, a parent must speak to the teacher to discuss this in advance. Any children who are fasting will be expected to rest at breaktimes.

School Improvement

Teachers in each year groups have been getting together with Mr Cooper and Mrs Meyrick to plan their topics for next half term. I have already spotted that Y6 are doing the Wild West and Y3 are doing inventions. It is looking very exciting!

On Tuesday evening, Mr Cooper, Freya Guinness (Chair of Governors) and I went to Wandsworth Town Hall to meeting with the Education Standards Group. We answered lots of questions about what we had done to improve things for the children at Heathmere.

Friends of Heathmere

Thank you to all the members of Friends of Heathmere who organised the disco last night. They are always really enjoyed by the children. We are raising money to improve the KS1 playgrounds so do join in with the fundraising events. Every pound counts!

Scooters and Bikes

Please can you keep an eye out for a missing blue scooter with neon lights. It was left overnight in the school playground and has gone missing. If your children do bring bikes or scooters into school, please do not allow your children to ride them in the playground at the end of the day.

Attendance

Highest attendance: 6B with 100% Well done!
 Most punctual class: 1A and Butterfly – neither class had a single late last week!
 Whole school attendance last week: 95.2%
 Individual attendance winners: Tia (1V), Faith (2W)
 House point winners: Mars

	Events	Clubs
Monday 6 th June	School Closed – Teacher Training Day 3.45pm Beat It club for parents and children
