

Next week is a very important week in school as the Year 6 children are taking their SATS tests. They have been working very hard and are definitely ready!

## Y3 Greek Workshop

*Amazingly, the Ancient Greek workshop was full of lots of interesting information. I learnt a lot!*

Syanne, 3R

*Did you know that we got to hold an Ancient Greek sword and look at an Ancient Greek spear that was 3m long?* Arwa, 3R

## Y1 Underwater Workshop

*Yesterday we talked about the five oceans and water safety. My favourite part was making the fish!*

Shamiha 1M

## Wandsworth Fringe Festival

You will be receiving another letter today about the Wandsworth Fringe Festival. Children can colour in the poster if they wish. A particularly good event for families will be Metamorphosis (which the Reception children at Heathmere are taking part in preparing next week) with giant bees, a butterfly and a caterpillar, with a dance performance on the library green, Sat 13th May at 2pm. There is an open workshop that morning from 11.30-1.30pm in the library to help make fruit and bees.

## School Improvement

Mr Howland, who is in charge of maths, has been introducing something called Maths on Track (MOT) to challenge the children every half term with their mental maths calculations. He will be writing separately to you about this next week and sending some information home so do get involved. It is important that parents are aware of the expectations of the children around their mental maths.

## SEND meetings

Earlier in the year, all parents of children who have a Special Educational Need were invited in to meet with Mrs Kennedy (SENCo and Head of Inclusion) and the class teacher to review their child's SEND support plan. It is now time to review these plans again so please look out for the letters inviting you in for the meeting. If the time is not convenient, please contact the office to rearrange.

## Fiddle Spinners

There have been lots of these appearing in school this week. We are speaking to the children today and telling them that they are not allowed in school. We are always consistent with the children in saying that they are not allowed to bring anything from home into school as things get lost and damaged.

## Attendance

Most punctual classes last week: 4J and 2W with no lates

Highest attendance last week: 4J with 97%

**Whole school attendance for last week: 92.1%**

**This is below the 95% attendance target**

Individual attendance winners: Amina (5B), Abbie (5B), Michael (1M)

House points: Neptune

Reading Race winners: 3R
